

GrooveMaster Graphics

Verse 1

GrooveMaster Graphics has been there.
We play too! We've recorded demos, ridden
in vans, played bars, loaded in through the
alley and gotten stiffed by club owners.

Verse 2

We're focused on what we do best!
We don't rent rehearsal space, studio time
or manufacture CDs. We'll just give you
great graphic design and photography!

Chorus

No matter what kind of music you write
and play, GrooveMaster Graphics wants to
be part of your project. Let's Groove!
